

PINNACLE
OF STYLISH
Surfaces

brav^{ia}
Lam

KEY FEATURES

Abrasive items do not affect our surfaces.

No need to worry about sharp objects ruining your surfaces.

Normal wear & tear has zero effect on the laminates.

Hot objects or heat do not spoil the surface finish.

Giving high performance with great flexibility.

Our surfaces can withstand impacts such as with hammers.

Water or moisture have zero impact on our surfaces.

A range that is specially treated to have antibacterial properties, inhibiting the growth of bacteria and promoting a hygienic environment.

Perfect for those who always forget coasters.

GLITTER

UNIQUE
TEXTURES

ZERO FINISH

RUSTIC

FABRIC

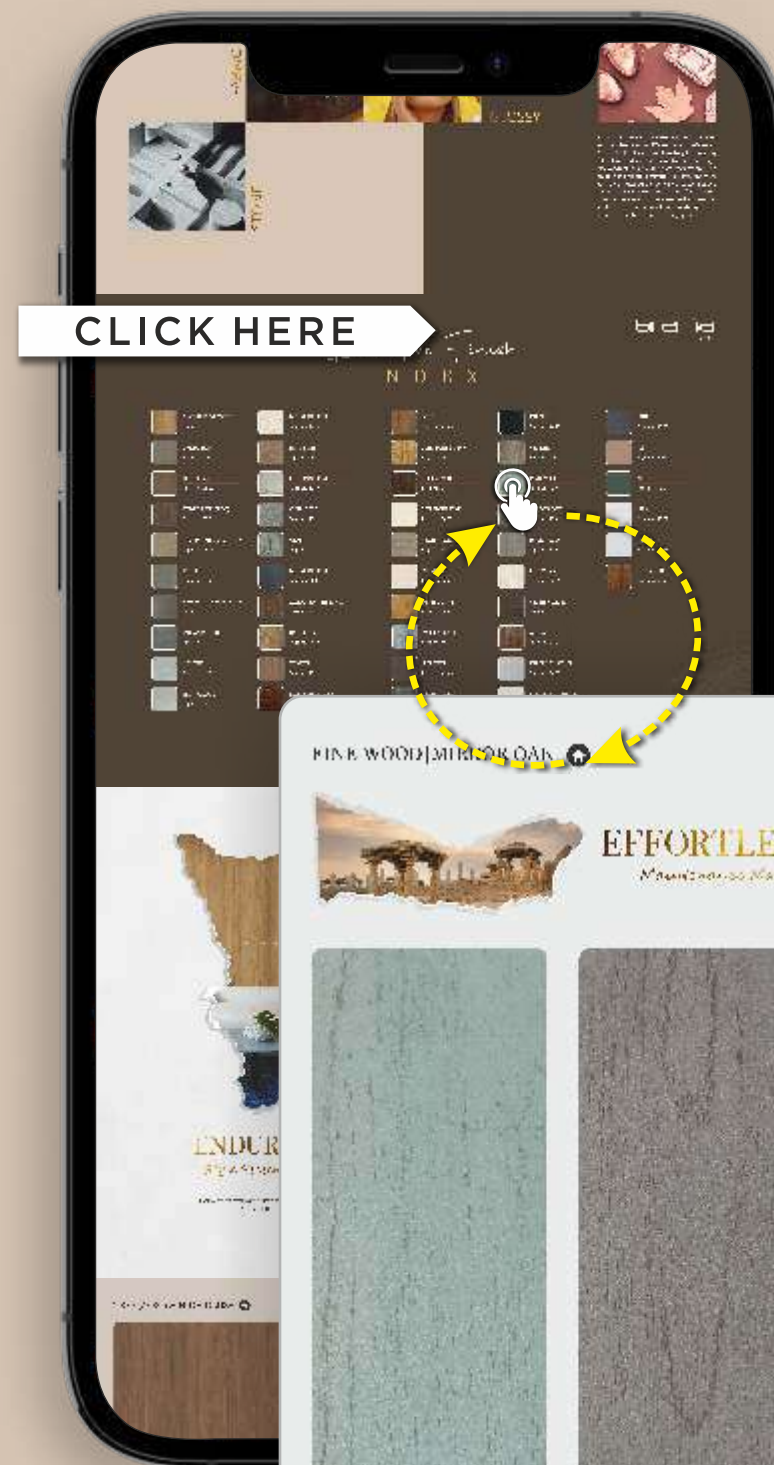

GLOSSY

STONE

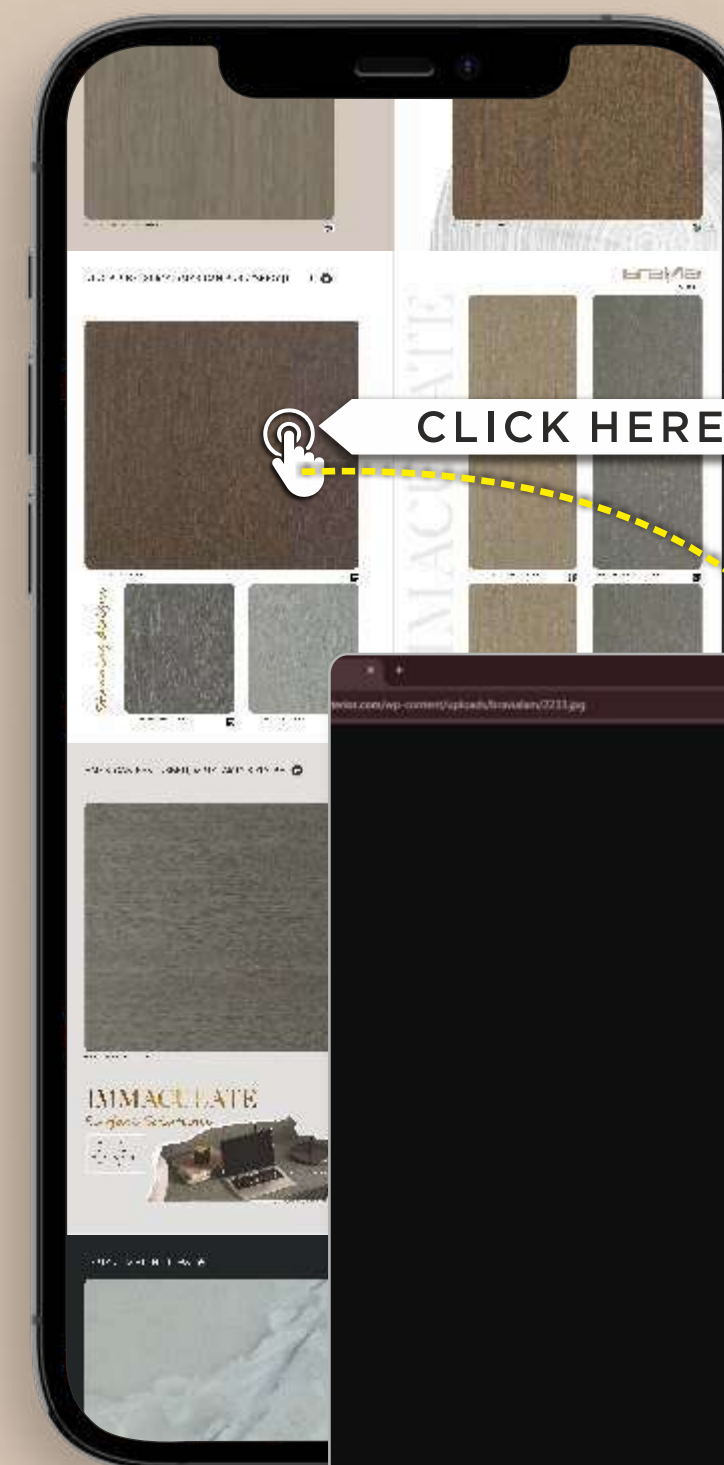

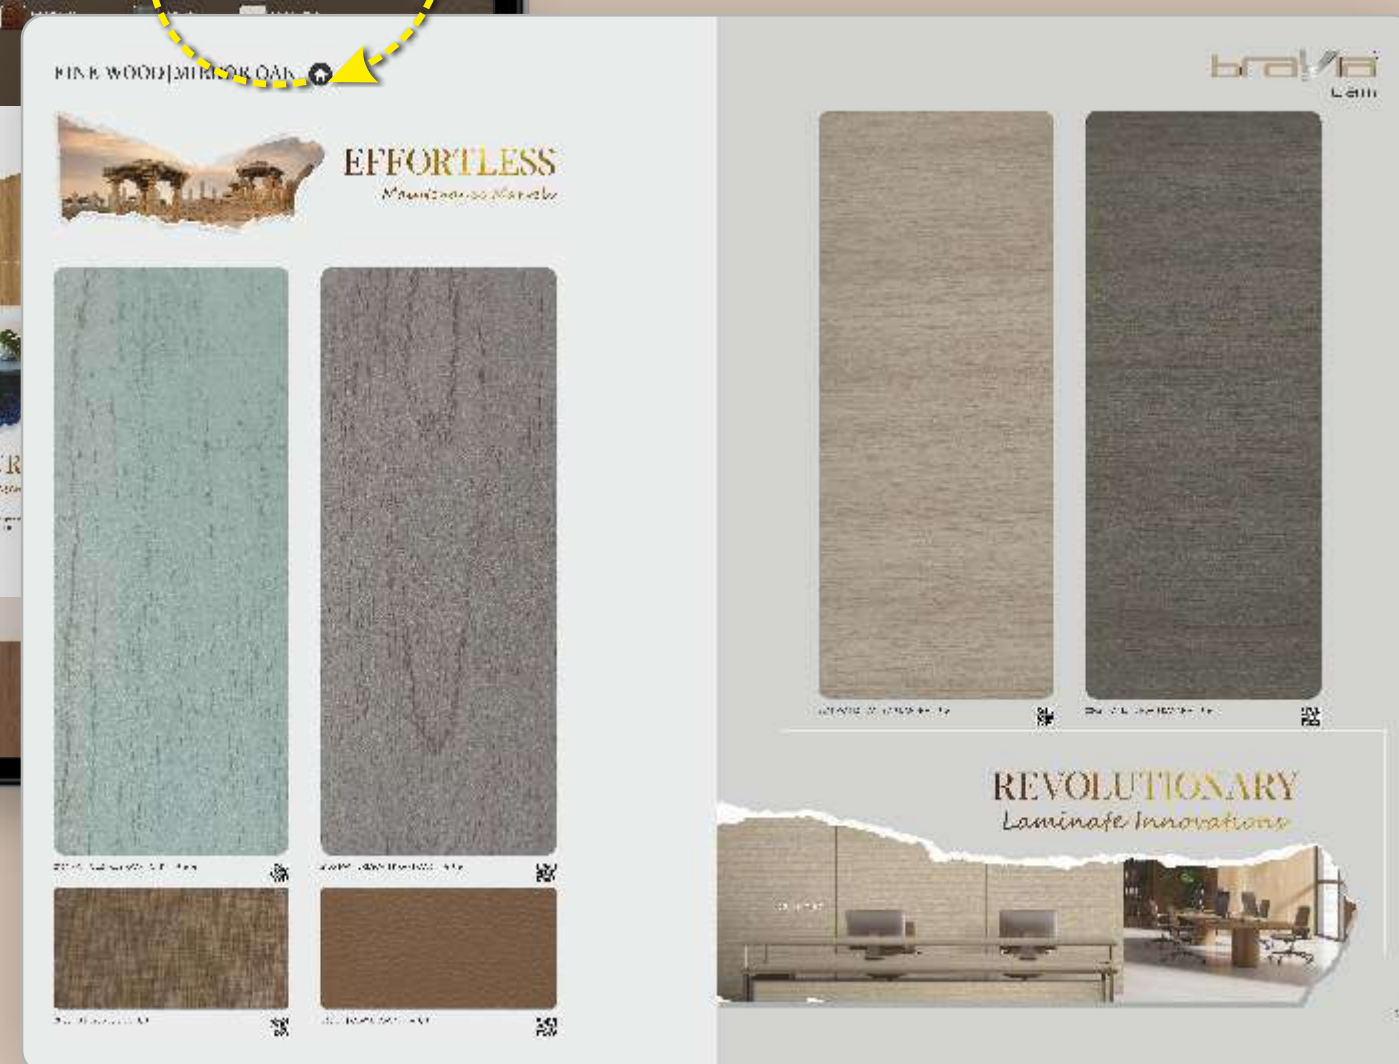

Bravia Lam boasts a diverse selection of unique textures that cater to different design preferences. Their collection includes options like glitter, offering a touch of sparkle and glamour. For those seeking a sleek and polished look, the glossy textures provide a smooth and reflective surface. If a softer and more tactile feel is desired, the fabric-inspired textures add a cozy and inviting element. The zero finish texture offers a seamless and uninterrupted appearance, while the rustic and stone-like textures bring a touch of natural beauty and warmth to any space.

INTERACTIVE INDEX

Please click on the Sample beside the Finish Name to scroll to the specific finish page

Click on the Home button to return back to the Finish Index.

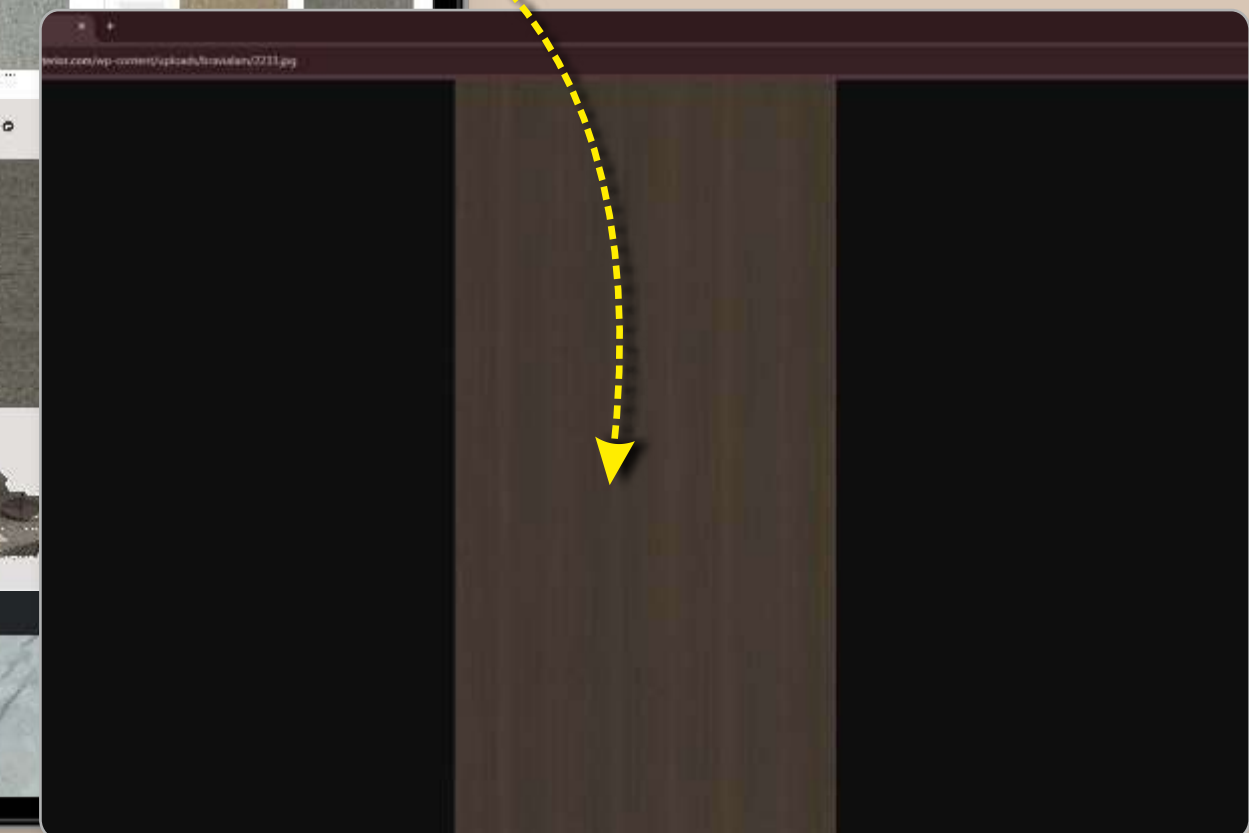

1. Open downloaded e-PDF on any device.
2. Browse through our entire collection right on your fingertips.
3. Like a product or design? Click anywhere on the product to open its dedicated webpage.
4. Here you will find the following details about the

Product you chose:

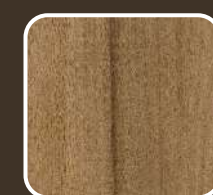

- Full Sheet View
- Application Preview
- Available Textures
- Technical Details
- Option to send an enquiry

5. You can find the same information about all the products in the PDF by clicking on them.

TECHNICAL SPECIFICATIONS

Finishes :

Bravia Laminates are available in 1 & 1.5mm (± 0.05mm) thickness in the sheet size of 244 cm x 122 cm. The finishes available are Matt, Glossy, Suede and exclusive range of textures.

Care and Maintenance :

Wipe clean with ordinary soap or household liquid detergent. For stubborn stains use diluted solvent or stain remover. Abrasive cleaners and wire brush are not recommended.
